

10th Global Conference on Materials Science and Engineering

CMSE2021

August 1-4, 2021

Kyiv, Ukraine

About CMSE2021

The 10th Global Conference on Materials Science and Engineering (CMSE 2021) will be held on August 1-4, 2021 in Kyiv, capital of Ukraine. Sponsored by Pisarenko Institute for Problems of Strength, National Academy of Sciences of Ukraine, CMSE2021 will provide an effective platform for academics and for professionals (engineers and researchers) from industry to discuss and exchange knowledge and share new research findings and new approaches on the field of materials science and engineering.

Conference Program

- August 1 Registration
- August 2 Welcoming Speech, Keynote Speeches, Poster & Oral speeches
- August 3 Oral speeches, Welcome Banquet
- August 4 Field Visit

Important Date

- Submission Due: June 17, 2021
- Early registration: June 25, 2021
- Notification of Accepted Abstracts: June 25, 2021
- Conference date: August 2-3, 2021
- Group Tour: August 4, 2021

Keynote Speaker

Prof. Seeram Ramakrishna
FREng, FBSE, Everest Chair, Circular
Economy Taskforce, National
University of Singapore, Singapore

H-index: 160

Prof. Qixin Guo
Director of Synchrotron
Light Application Center,
Saga University, Japan

H-index: 43

Prof. Vinod Kumar Gupta
Head of Chemistry Department,
Indian Institute of Technology
Roorkee, India

H-index: 176

Presentation Types & Time Allocation

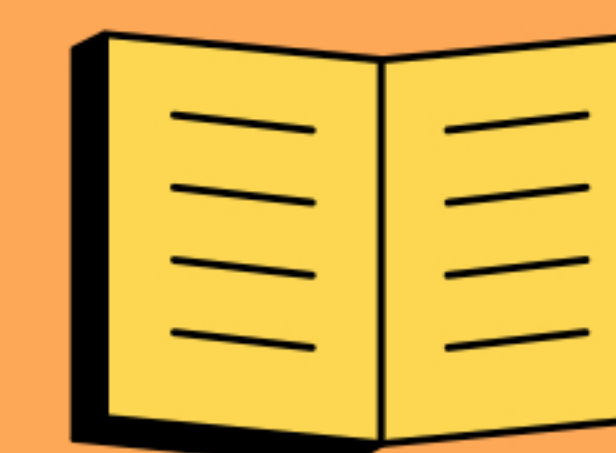

Keynote Presentation	40 min
Invited Presentation	25 min
Regular Oral Presentation	15 min
Online Oral Presentation	15-25 min
Poster Presentation	1-2 hours

*ONLINE PRESENTATION IS ALSO WELCOME!

If you cannot join the conference physically, welcome to join us virtually via Microsoft Teams.

Conference Subjects

- Composites, metals, applications
- Ceramic/Structural materials
- Material mechanics/strength/fatigue
- Nanomaterials & Semiconductors
- Material characterization and testing

Paper Publication

Conference Proceedings:

Journal of Physics: Conference Series
Submitted to Scopus, EI Compendex,
Inspec etc. for indexing.

SCI Journals

- Strength of Materials
- Materials Science-Medziagotyra
- Ceramic-Silikaty
- Mechanika
- Reviews on Advanced Materials Science

Technical
Sponsor

Pisarenko Institute for
Problems of Strength,
National Academy of
Sciences of Ukraine

Welcome to CMSE 2021 in Kyiv, Ukraine!

Abstract/Full Paper Submission

Abstracts/Full Papers should be submitted via the CMSE2021 Submission System via the official website at: <http://www.cmseconf.org/> (*submission system*)

*All submitted papers will go through peer-review process.

2021 Best Presentation Selection

- One Best Oral Presentation will be selected in each session based on the content novelty, fluent language, good performance and nice design of PPT as well as the active reaction of research idea exchange.
- 2-3 Best poster Presentations will be selected by the judges based on novelty, originality and creativity of the work, presentation of the work on site and quality of the poster.
- Best presenters will be awarded with free registration for the next CMSE conference.

CMSE2019 - Sanya, China

CMSE2018 - Xi'an Technological University, China

Conference Committee

General Chair

Prof. Valery V. Kharchenko, Director of Pisarenko Institute of Problems of Strength, Full Member of National Academy of Sciences of Ukraine, Ukraine

International Technical Program Committee

Prof. Abderrahim Benmoussat, University of Tamanrasset, Algeria
Dr. Alexander Khotsianovsky, Pisarenko Institute of Problems of Strength of the National Academy of Sciences of Ukraine, Ukraine
Dr. Ana Patricia Perez Fortes, Universidad Politécnica de Madrid, Spain.

Dr. Bing Yang, Southwest Jiaotong University, China

Dr. Chin-Hua Chia, Universiti Kebangsaan Malaysia, Malaysia

Dr. Claudiu Nicolicescu, University of Craiova, Romania

Dr. Diana Manukovskaya, ICTREMRM KSC RAS, Russia

Dr. Erik Vargas Rojas, Independent researcher and consultant, Mexico

Prof. Ignazio Blanco, University of Catania, Italy

Dr. Jason Ludovic, Mechanics and System Simulation Laboratory, France

Prof. Jinlian Hu, City University of Hong Kong, China

Dr. Kaili Zhang, City University of Hong Kong, China

Dr. Lai Chin Wei, University of Malaya, Malaysia

Prof. Osman ADIGUZEL, Firat University, Turkey

Prof. Pavol Hvizdos, Academy of Sciences of Slovakia, Slovakia

Dr. Payam Shafigh, University of Malaya, Malaysia

Prof. Qixin Guo, Saga University, Japan

Dr. Siti Nur Liyana Mamaud, Universiti Teknologi MARA, Malaysia

Prof. Stefan Segla, Technical University of Kosice, Slovakia

Dr. Timur Sh. Atabaev, Nazarbayev University, Kazakhstan

Dr. Varun Vohra, University of Electro-Communications, Japan

Conference Venue

The National Academy of Sciences of Ukraine

Address: Volodimirska Street 55, Kyiv, Ukraine

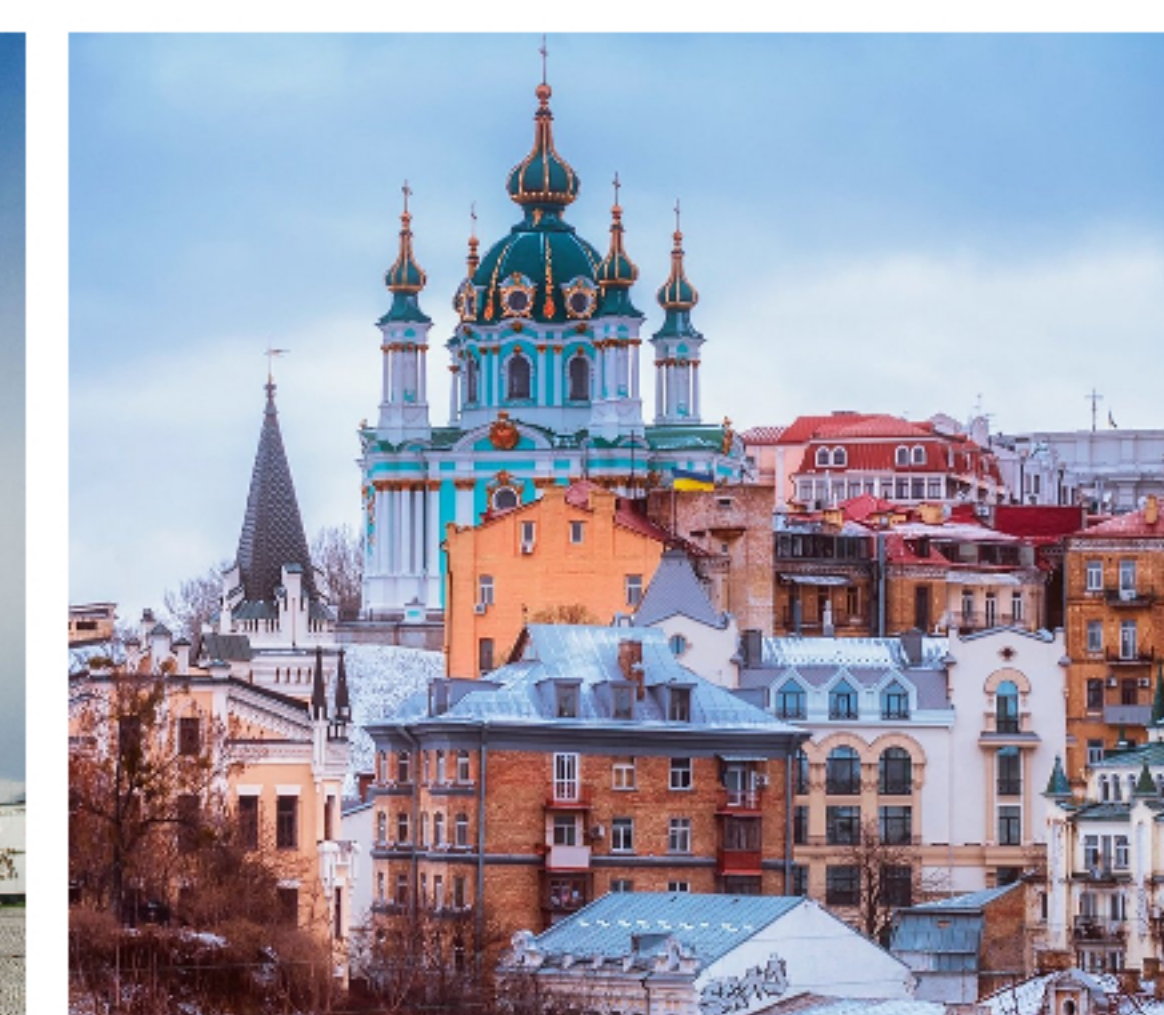

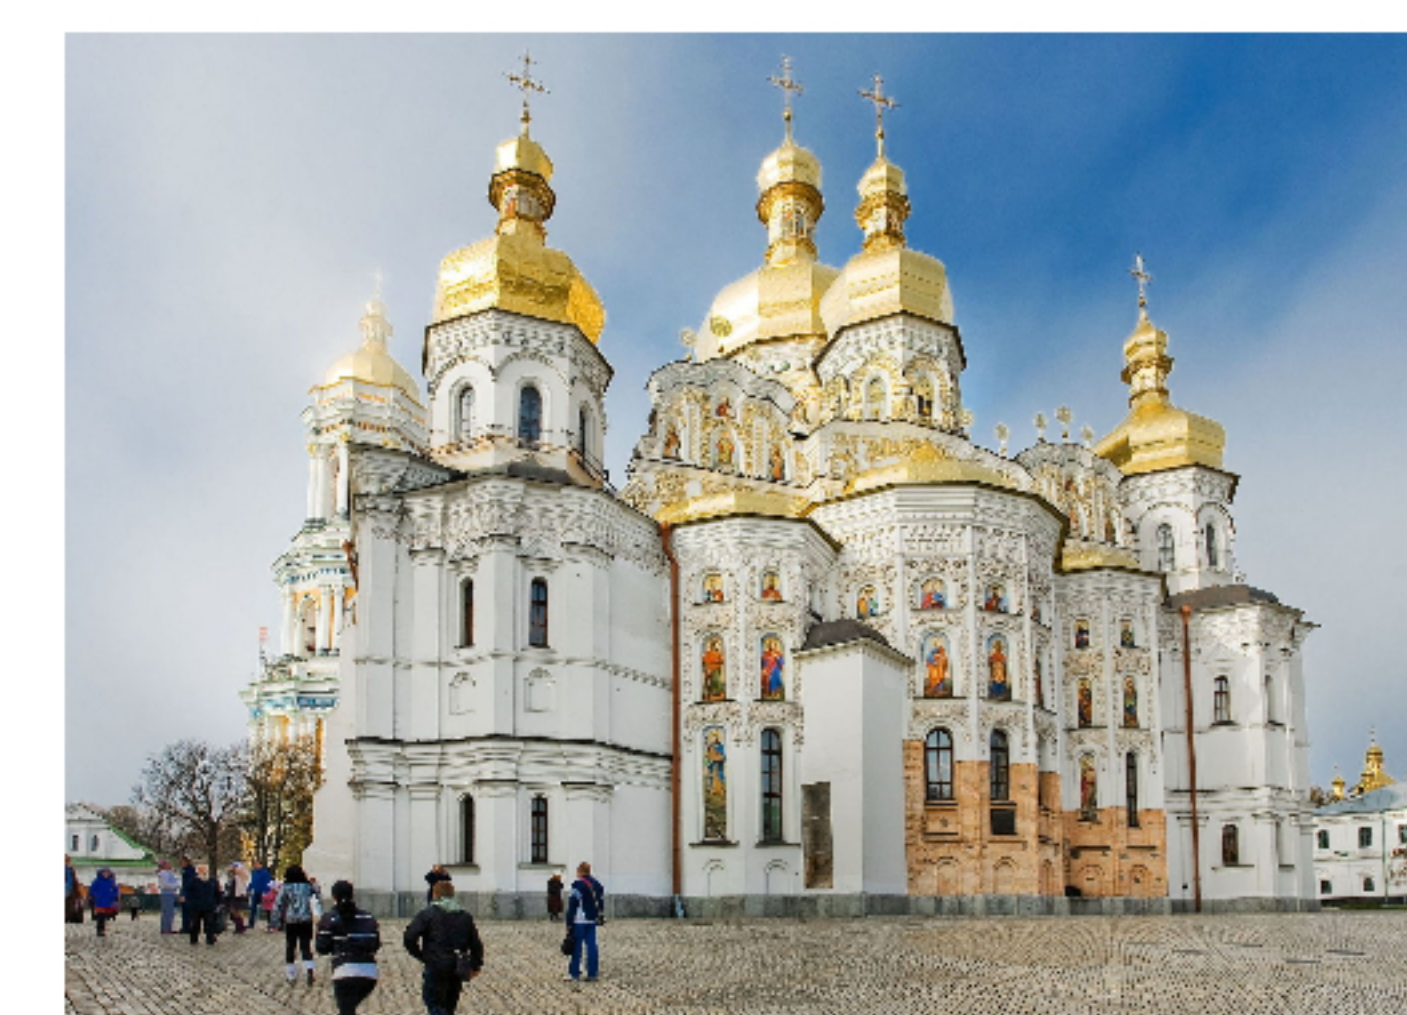

Contacts: +38(044)235-6127, +38(044)235-2105

About Kyiv

Kyiv is often referred to as "the mother of all cities" by Ukrainians. It is one of the oldest towns in Europe. The art and architecture of Kyiv are considered world treasures. Many famous artists, poets and writers estimated the unique beauty of this city.

One day tour in Kyiv, Ukraine and Ballet Performance "Swan Lake" by Kyiv National Ballet (on condition that it is scheduled during conference dates) will be offered freely.
