

MSAM 2021

The 4th International Conference on Material Strength and Applied Mechanics

MACAU, CHINA AUGUST 16-19, 2021

INVITATION

About MSAM

International Conference on Material Strength and Applied Mechanics (MSAM) has been launched for three years, with MSAM 2018 in Kitakyushu, Japan, MSAM 2019 in Kiev, Ukraine and MSAM2020 online via Microsoft Teams. It aims at providing a broad forum where latest new techniques and technologies in the field of materials strength and applied mechanics are shared and discussed by scientists and engineers from academia and industry worldwide.

MSAM 2021 will be also a fantastic opportunity to meet and make new contacts in the field. The plenary session will include Keynote Speeches, Invited Speeches, Oral and Poster Presentations.

Conference Program

August 16	Registration
August 17	Welcoming Speech, Keynote Speeches Poster Presentations Invited & Oral Presentations
August 18	Invited & Oral Presentations, Welcome Banquet
August 19	Field Visit

Important Dates

Submission Due: July 1, 2021
Early Registration: July 10, 2021
Notification of Accepted Abstracts: July 10, 2021
Conference date: August 17-18, 2021
Tour: August 19, 2021

Conference Subjects

Strength of Materials Applied Mechanics

Fatigue	Vibration
Stress Analysis	Contact Mechanics
Solid Mechanics	Structural Mechanics
Fracture Mechanics	Particle Mechanics
Cyclic Deformation	Boundary Layers
High Strength Alloys	Wave Propagation
Ductile and Brittle Fracture	Welding & Joining
Mechanics of Nanomaterials	Heat and Mass Transfer
Mechanics of Biomaterials	Experimental Mechanics
Materials Forming	Renewable Energy Mechanics
Plastic Deformation	Surface Engineering/Coating
Phase Transformations	Scale Bridging Materials
Materials Engineering	Modeling
Notch Mechanics	Plasticity, Fracture, and
Mechanics of Metals	Damage Mechanics
High Temperature	Computational Mechanics
Deformation	Materials Properties,
Numerical Methods and	Measuring Methods and
Optimal Design of Structures	Applications

Organizer

澳門會議展覽業協會
MACAO CONVENTION & EXHIBITION ASSOCIATION

Presentation Types & Time Allocation

Keynote Presentation	40 min
Invited Presentation	20 min
Regular Oral Presentation	15 min
Online Oral Presentation	15-20 min
Poster Presentation	1-2 hours

***ONLINE PRESENTATION IS ALSO WELCOME!**

If you cannot join the conference physically, welcome to join us virtually via Microsoft Teams.

Registration Information

Registration Type	Registration Fee (HKD)
Regular Presenter	HKD 4500
Student/Co-author/Listener	HKD 4000

Registration Entitlement:

1. Paper Presentation, Conference Materials
2. Access to all technical sessions and coffee breaks
3. Lunches and dinners during August 17-18, 2021
4. One day tour in Macau
5. Publish one full paper in the conference proceedings

MSAM History

MSAM 2018

MSAM 2018 was held from April 10-13, 2018 in Kitakyushu City, Japan. It is sponsored by several local companies, universities and academic association close to Kitakyushu.

MSAM 2019

Sponsored by Pisarenko Institute for Problems of Strength, National Academy of Sciences of Ukraine, MSAM 2019 was successfully held from May 27-30, 2019 in Kiev, Ukraine.

MSAM 2020

MSAM2020 was participated virtually via Microsoft Teams Meeting by scientists, experts and engineers from 20 countries, such as Australia, Brazil, Canada, Chile, China, India, Italy, Japan, Poland, Russia etc.

Welcome to MSAM 2021!

Macau, China www.msamconf.org

Abstract/Full Paper Submission

Abstracts/Full Papers should be submitted via the MSAM 2021 Submission System via the official website at: <http://www.msamconf.org/> (submission system)

*All submitted papers will go through peer-review process.

Paper Publication

Conference Proceedings

Journal of Physics: Conference Series
Submitted to Scopus, EI Compendex, Inspec etc. for indexing.

SCI Journals (selected paper can be recommended to)

- Strength of Materials IF: 0.592
- Mechanika IF: 0.458
- Reviews on Advanced Materials Science IF: 1.197
- Journal of Theoretical and Applied Mechanics IF: 0.831

2021 Best Presentation Selection

- One Best Oral Presentation will be selected in each session based on the content novelty, fluent language, good performance and nice design of PPT as well as the active reaction of research idea exchange.
- 2-3 Best Poster Presentations will be selected by the judges based on novelty, originality and creativity of the work, presentation of the work on site and quality of the poster.

About Macau

The Macau Special Administrative Region (MSAR) is a part of China's territory. It is located on the South-east coast of China to the western bank of the Pearl River Delta. Bordering on Guangdong Province, it locates 60km from Hong Kong and 145km from the city of Guangzhou.

After more than 400 years of coexistence of European civilization, the fusion of eastern and western cultures had made Macau a city with unique features and left a large number of historical and cultural relics.
