Address: 1-2-1 Gakuen Minami Matsue

City, Shimane, JAPAN 690-0826

... Explore Matsue ...

Matsue is the capital city of Shimane Prefecture, in Southwest Japan, known as the “City of Water”.

A former feudal stronghold, Matsue is a true castle town crossed with many canals and boasts, one of the twelve remaining original castles in Japan. Famous for its beautiful sunsets over Lake Shinji, Matsue also prides itself on having been the adopted home of the writer Lafcadio Hearn, who became one of the first Westerners to take Japanese citizenship under the name of Koizumi Yakumo.

As an International City of Culture and Tourism, Matsue offers great sightseeing opportunities and welcomes international tourists. Matsue and its surrounding areas are rich in cultural assets and historical sites, and many of Japan’s most ancient legends are set in the area.

Conference History

WRE2015 July 25-28, Beijing
115 participants from 25 countries

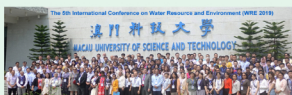

WRE2016 July 23-26, Shanghai
125 participants from 22 countries

WRE2017 June 26-29, Qingdao
152 participants from 32 countries

WRE2018 July 17 - 21, Taiwan
240 participants from 28 countries

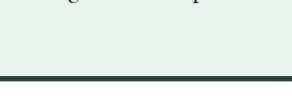

WRE2019 July 16-19, Macau
260 participants from 24 countries

WRE2020 August 23-26
148 participants from 26 countries

WRE2021 November 1-4
150 participants from 31 countries during Covid-19 period.

WRE2022 November 1-4
80 participants from 27 countries

October 15

Important Dates

August 15, 2023

Submission Due

September 20, 2023

Early Bird Registration Due

November 21, 2023

Arrival & Registration

November 22-23, 2023

Keynote & Paper Presentations

November 24, 2023

Group Tour in Matsue

Note: We will have a **Reward Banquet** on the evening of November 23.

The 9th International Conference on Water Resource and Environment (WRE2023)

November 21-24, 2023

Matsue, Japan

The 9th International Conference on Water Resource and Environment (WRE 2023) will be held during November 21-24, 2023 in Matsue, Japan.

WRE conference is an annually held conference that highlights the needs to maintain the sustainability of water resources and to protect the fragile water environments. It aims to provide a platform for professionals and specialists to present their latest findings, opinions and views.

It was successfully held online in 2022, 2021 and 2020, and physically held in Beijing, Shanghai, Qingdao, Kaohsiung, and Macau in the past years. It has attracted a total of 1000+ attendees from 41+ countries and areas, and published 700+ full papers in conference proceedings and peerreviewed journals.

www.wreconf.org/

- Water Policies and Planning
- Sustainability and Water
- Sustainable Drainage
- Water and Wastewater Treatment
- Aquatic Ecosystems
- Water Pollution
- Wetland Systems
- Groundwater

... Publications ...

- ◆ Conference Proceeding
Springer Book Series: Lecture Notes in Civil Engineering (Indexed by Scopus, EI, etc)
- ◆ International Peer-reviewed Journals
 - ✦ Applied Ecology and Environmental Research
 - ✦ Journal of Marine Science and Engineering
 - ✦ Archives of Environmental Protection
 - ✦ Green Processing and Synthesis
 - ✦ Open Geosciences
 - ✦ Water

... Call for Papers ...

- Abstract or full paper should be submitted via the conference official website: www.wreconf.org/
- Accepted and presented abstracts will be included in the abstract proceedings for academic exchange only
- Accepted full papers will be published in the conference proceedings "Lecture Notes in Civil Engineering", Springer book series, indexed by EI, and Scopus
- Selected papers will be published in SCI journals

Presentation Types

Types	Allotted Time
Invited Presentation	25 minutes
Oral Presentation	15 minutes
Poster Presentation	1-2 hours on November 22

Note: An abstract is enough for oral / poster presentation, please submit it via www.wreconf.org or via e-mail at wre@academicconf.com

Registration Fee

Registration Types	Before	After
	Oct. 20	Oct. 20
Presenter (Regular)	700 USD	750 USD
Co-author/Listener/ Accompany Person	600 USD	650 USD
Presenter (Student) / Student Participant	550 USD	600 USD

Technical Program Committee

TPC Chair

Dr. Chih-Huang Weng
Distinguished Professor, I-Sh

TPC Members

- Dr. Amelia Araujo, Centre for Environment Fisheries & Aquaculture Science (Cefas), UK
- Dr. Chin Pao (C. P.) Huang, Professor, University of Delaware, USA
- Dr. Christophe Douez, Associate Professor, Université d'Artois, France
- Dr. Dawei Han, Professor, University of Bristol, UK
- Dr. Dmitry Strunin, Associate Professor, University of Southern Queensland, Australia
- Dr. Fei Qi, Professor, Beijing Forestry University, China
