About Xi'an

Throughout the history of China, thirteen dynasties have set their capital city in Xi'an, which covers a history of over 1000 years. The cultural and historical significance of the area, as well as the abundant relics and sites, help Xian enjoy the laudatory title of 'Natural History Museum'.

Introduction

Organized by Northwestern Polytechnical University, the 11th Global Conference on Polymer and Composite Materials (PCM 2024) will be held from August 19-22, 2024 in Xi'an, China.

PCM is an annually held conference, it aims to provide a forum for academic experts and participants to exchange their experiences and share research results about all aspects of Polymer and Composite Materials and discuss the encountered practical challenges and the adopted solutions.

Hope to see you face to face in Xi'an.

Call For Papers

Polymer materials

Plastics
Rubber
Polymer optoelectronics
Engineering polymers
Polymeric catalysts
Radiation-related Polymers
Polymeric biomaterials
Polymer processing
Surface and interface
Polymeric gels & networks

Composite materials

Biomedical composites
Textile composites
Green composites
Carbon matrix composites
Metal matrix composites
Multi-functional composites
Nanotechnology composites
Composites manufacturing
Liquid composite molding
Applications of composites

Important Dates

Submission Deadline: August 1, 2024

Conference General Chairs

Prof. Tingkai Zhao, School of Materials Science and Engineering, Northwestern Polytechnical University, China

Prof. Esteban Broitman, SKF Research & Technology Development, 3430 DT Nieuwegein, The Netherlands

Venue

Aoxiang International Conference Center(翱翔国际会议中心)

Address: Northwestern Polytechnical University
Youyi Campus, Innovation Building, Laodong
Nan Road, Beilin District, Xi'an, China
