

Worldwide participants from Applied Biochemistry and Biotechnology area

Best Oral/Poster Presenters Awarding

Opportunity to publish in indexed journals

# ABB 2022

ABB conference is convened annually to gather related experts, researchers, and academicians to exchange innovative ideas and experiences in the field of applied biochemistry and biotechnology. We cordially invited you to join ABB 2022, to be held from August 8th-11th, 2022 in Shenzhen, China.

澳門會議展覽業協會  
MACAO CONVENTION & EXHIBITION ASSOCIATION

## About ABB

Held successfully in Hangzhou, Macau and online in the past 4 years with about 400 participants from 20 countries, ABB conference will be a valuable and important platform for inspiring international and interdisciplinary exchange.

## Technical Program

Scientific program of ABB 2022 includes plenary speeches, invited, oral and poster presentations.

August 8th	Registration
August 9th	Opening Ceremony, Plenary & Oral Presentations
August 10th	Invited, Oral and Poster Presentations
August 11th	Field Visit

Shenzhen

Shenzhen, China

## Registration

Registration Type	Registration Fee
Standard Registration	USD 550 / 3500 RMB
Student / Listener	USD 450 / 3000 RMB

Registration Entitlement:

1. Oral/Poster Presentation (for Presenter only)
2. Conference materials
3. Lunches and dinners on August 9-10
4. Field visit on August 11th
5. Publishing one full paper in the conference proceeding

# ABB 2022

The 5th International Conference on  
Applied Biochemistry and Biotechnology  
August 8th-11th Shenzhen, China

## Speakers

More will  
come soon

Prof. H. Hayashi  
*University of Tsukuba,  
Japan*

Prof. M. Umehara  
*Toyo University, Japan*

Dr. Lidia Nicola  
*University of Pavia, Italy*

Prof. Yuanda Song  
*Shandong University of  
Technology, China*

## Presentation

ABB conference is to engage the participants in meaningful session for the exploration on scientific advancements. Here below is the time allocation for each kind of presentation.

Presentation Type	Total Alloted Time
Keynote Presentation	40 mins
Invited Presentation	20 mins
Regular Oral Presentation	15 mins
Poster Presentation	2 Hours

Notes: To encourage the young scholars, best oral and poster presentation will be selected in each session. Best presenters will be awarded with free registration to next ABB conferences and a certificate.

Join Us Now

## Important Dates

Submission Deadline: May 20  
Acceptance Notification: June 30

## Main Topics

Biochemistry and Biotechnology Application in Agricultural, Medical and Industrial Area including Cell Biology, Protein Sciences, Genetic Engineering etc.

## Publication

- Accepted presented abstract will be included in the abstract proceeding for academic exchange ;
- Accepted full paper will be published in conference proceeding indexed by Scopus, Ei etc.
- Selected full paper will be recommended to quality journals like Open Chemistry (ISI, IF: 1.554) etc.

Online Submission

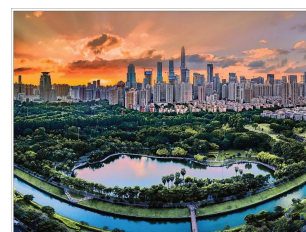

## TPC Members

Chair of Technical Program Committee  
Prof. Xuqiao Feng, Bohai University, China

Technical Program Committee  
Prof. Camilla Parmeggiani, University of Florence, Italy  
Prof. Richard Daniellou, University of Orléans, France  
Prof. Mohamed Chiban, Ibn Zohr University, Morocco  
Assoc. Prof. Ulf Schmitz, James Cook University, Australia  
Dr. Lidia Nicola, University of Pavia, Italy  
Dr. T. Y. Haan, Universiti Kebangsaan Malaysia, Malaysia  
Dr. Fengzheng Gao, Wageningen University, Netherlands  
Dr. Noriaki Iijima, Hiroshima University, Japan

## Explore Shenzhen

With flowers and green grass all seasons, Shenzhen is awarded 'National Sanitary City', 'National Garden City', 'China's Excellent Tourist City'.

Shenzhen is one of the cities whose economic and social development had developed in the first time under the Opening-up Policy. Attractions such as Windows of the World and Splendid China and Cultural Village welcome your visiting all the time.

Welcome to come to Shenzhen to join ABB 2022!
