## ABS Highlights

### ✦ Global Platform ✦

Since 2015, about 1000 scholars and academicians from more than 35 countries joined ABS conference series, making ABS conference a global platform for academic exchange and new connections.

### ✦ Diversify Forms ✦

Virtual or physical plenary, oral, invited and poster presentations, workshops and networking events will keep participants engaged in sharing and circulating their new ideas and opinions.

### ✦ Reward ✦

Best oral presenters or best poster presenters will be selected and awarded to encourage researchers, especially young researchers, to get devoted to academic research and exchange.

### ✦ Publications ✦

Long-term cooperation with renowned publishers or journals were built, participants could get their new findings published in the conference proceeding or international renowned journals.
