ABS Highlights

Global Platform

Since 2015, about 1500 scholars and academicians from more than 35 countries joined ABS conference series, making ABS conference a global platform for academic exchange and new connections.

Diversity Forms

Physical or virtual plenary, oral, invited, and poster presentations, workshops and networking events will keep participants engaged in sharing and circulating their new ideas and opinions.

Reward

Best oral or poster presenters will be selected and awarded to encourage researchers, especially young researchers, to get devoted to academic research and exchange.

Publications

Long-term cooperation with renowned publishers or journals were built, participants could get their new findings published in the conference proceeding indexed by scopus or international journals indexed by ISI.

- Accepted full papers will be published in the conference proceeding indexed by scopus & Ei;
- Selected full papers will be published in international journals like Agronomy (ISI, IF:3.4), Annals of Microbiology (ISI, IF: 3.618) etc.

Explore Macao

Macao is a city where East meets West, a place where traditional Chinese culture has assimilated Portuguese and Western ways to create a unique cultural mix.

The many beautiful historic buildings evoke the city's collective memories, and this small city - overflowing with traditional elements - lends a wealth of inspiration to the flourishing local arts community.
