About MLIS

MLIS conference is convened annually to provide a platform for knowledge exchange of the most recent scientific and technological advances in the field of machine learning and intelligent systems, and to strengthen the links in the scientific community in related filed. For participants who are not able to join physically, **online presentations via Microsoft TEAMS** will be available and welcome.

With the support from National Dong Hwa University and Keimung University, MLIS 2019 and MLIS 2020 were held successfully with more than 150 participants from more than 20 countries around the world.

Xiamen has sea, islands, hills and city, and everything else that is considered beautiful. The unique combination of Chinese and western elements and the multi-culture have made Xiamen an inclusive city. Xiamen is always here waiting for you to explore.

▷ Xiamen

Gulangyu has famous tourist attractions like Sunlight Rock, Shuzhuang Garden and Harmonium Museum. Here you may stroll to a quiet lane, or take a sunbath on the beach.

◁ Gulangyu

Dazuigu is a kind of comic talking and singing art popular in Xiamen and Southern Fujian. It is also called "Bickering in telling stories", "Paizuigu" or "Dazui song". Dazuigu is a verbal battle between two persons, similar to the cross talk of the north.
