Explore Xi'an

Located in Shaanxi Province, People's Republic of China, Xi'an is the undisputed root of Chinese civilization. The eternal city, records the great changes of the Chinese nation just like a living history book. Called Chang'an in ancient times, Xi'an is one of the birthplaces of the ancient civilization in the Yellow River Basin area of the country. So far, Xi'an enjoys equal fame with Athens, Cairo, and Rome as one of the four major ancient civilization capitals. It is also known as "the Cradle of Chinese Nationality", it is not only the birthplace of China but also the important human birthplace and one of the prehistoric culture centers in Asia, and served as an important pivot and center in ancient foreign economy and culture exchange.
