

# ACEER 2023

## The 5th International Conference on Advances in Civil and Ecological Engineering

### About the Conference

The 5th International Conference on Advances in Civil and Ecological Engineering Research (ACEER 2023) will be held in Macau, China during July 4-7, 2023, hosted by Macau Convention and Exhibition Association.

International Conference on Advances in Civil and Ecological Engineering Research (ACEER) was launched in 2019 in Kaohsiung. The past four events, 2019 in Kaohsiung and 2020-2022 Online, were successfully held based on great supports from excellent speakers and TPC members for their technical advices, as well as over 270 participants' active involvement. As an annual gathering, ACEER provides a platform for professionals and scholars to present robust research demonstrating the expanding frontiers in the fields of Civil Engineering and Ecology Engineering, and opens doors for discussing the challenges and recommending better solutions for the problems existed in Environment.

### Conference Program

July 4, 2023	Registration
July 5, 2023	Welcoming Speech, Keynote Speeches, Invited Presentations & Oral Presentations, Welcome Banquet
July 6, 2023	Invited & Oral Presentations
July 7, 2023	One Day Technical Investigation in Macau

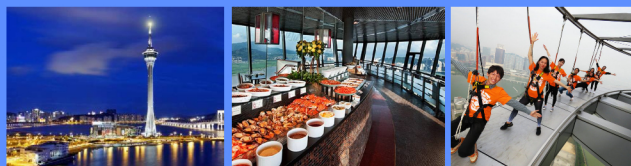

### Registration fee

Standard Registration	USD 550
Student/Listener	USD 450

## 重要日期 Important Dates

Submission Due	April 10, 2023
Early Registration	May 1, 2023
Notification of Accepted Abstracts	May 1, 2023
Onsite Registration	July 4, 2023
Keynote, Oral, and Poster Presentation	July 5-6, 2023
Technical Investigation in Macau	July 7, 2023

### Buffet Dinner at Macau Tower on July 5, 2023

### Presentation Types

Keynote Presentation	40 min
Invited Presentation	25 min
Oral Presentation	15 min
Poster Presentation	1-2 h

## Explore Macau

Macau is a Special Administrative Region (SAR) of the People's Republic of China, and it is located on the Southeast coast of China to the west of the Pearl River Delta. It has a prosperous economy featuring four pillar sectors: tourism & gambling, export processing (mainly textiles and garments), banking, and construction & real estate. It is a combination of regions and architecture including squares, churches and temples that demonstrate how Chinese and Western cultures have blended over the past 400 years.

## Call for Papers

- Abstract or full paper should be submitted via the conference official website:  
<http://www.aceerconf.org/>
- Accepted and presented abstracts will be included in the abstract proceedings for academic exchange only.
- Accepted and registered full papers will be published in the conference proceedings "Lecture Notes in Civil Engineering", Springer book series, indexed by EI, and Scopus.
- Selected papers will be published in SCI journals, such as Applied Ecology and Environmental Research, Open Geosciences, etc.

## Conference Topics

Structural Engineering	Environmental Landscaping
Geotechnical Engineering	Protection and Reclamation of Soils
Bridge Engineering	Air Quality and Atmospheric Pollution
Geological Engineering	Environmental Monitoring
Construction Engineering and Management	Sustainable Development
Tunnel, Subway and Underground	Meteorology and Climate Change
Earthquake Engineering	Heavy Metals in the Environment
Coastal Engineering	Renewable Energy Technologies
Transportation Engineering	Water Pollution and Treatment
Water Recourses Engineering	Biogeochemistry and Biogeochemical Modelling
Cartography and Geographic Information System	Wetlands and Aquatic Ecosystems
Urban Planning and Design	Restoration and Protection of Environment
Geological Resources and Engineering	Noise Treatment Engineering
Green Building Technologies and Materials	Solid Waste Treatment and Disposal
Fluid Mechanics	Cleaner Production and Recycling Economy
Hydraulic and Hydrologic Engineering	

## ACEER Galleries

The first Annual ACEER Conference was held at I-Shou University, Kaohsiung, Taiwan with over 100 participants. The conference was consisted of one plenary session with 2 keynote speeches, seven parallel sessions including 22 invited speeches and 37 regular oral presentations, and one poster session with 23 poster presentations. 45 full papers were included in the conference proceedings published by IOP Publisher.

## Call for Reviewers

All submitted papers will go through the peer-review process, we are calling for reviewers. If you would like to be a reviewer for the conference, send your English CV to [info@aceerconf.org](mailto:info@aceerconf.org).
