

INTRODUCTION

With the support of Beijing University of Posts and Telecommunications, CECNet 2021 will be held during November 18-21, 2021 in Beijing, China.

It is held annually to provide a comprehensive global forum for experts and participants from academia to exchange ideas in the most state-of-the-art areas of electronics technology, communication engineering, network security and technology.

You are welcome to participate in CECNet 2021 as authors, speakers and listeners. Hope to see you all in Beijing, China!

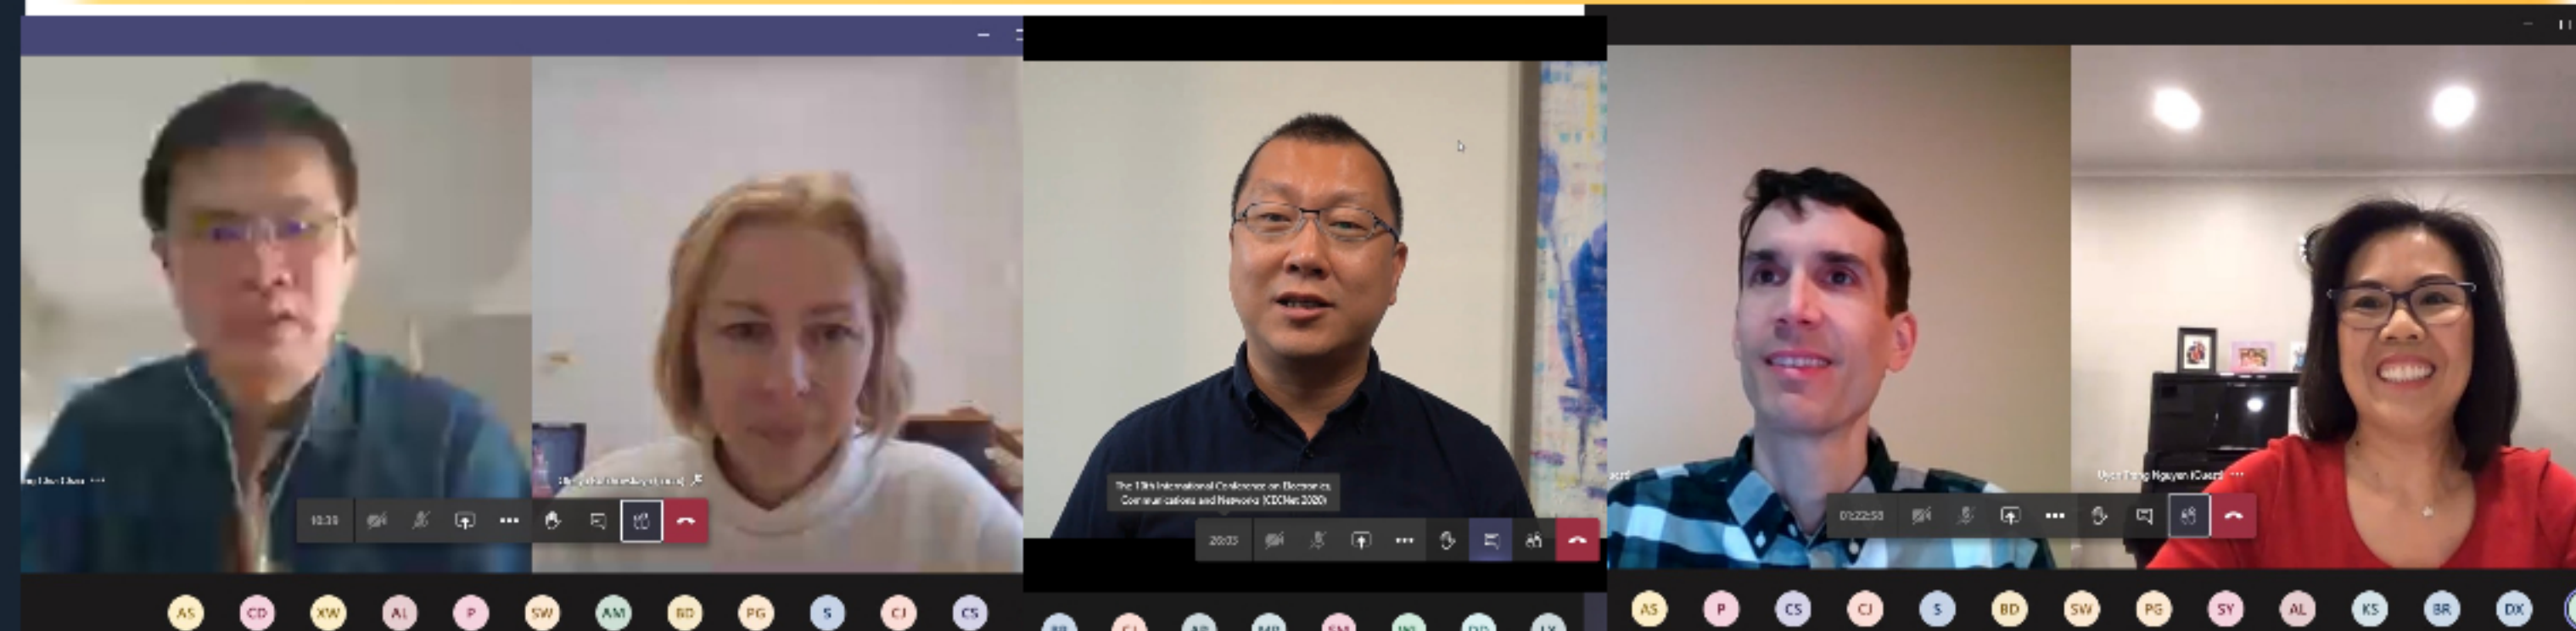

Supported by

The 11th International Conference on Electronics, Communications and Networks (CECNet 2021)

November 18-21, 2021
Beijing, China

CONFERENCE INVITATION

CECNet2020 by Teams

CONFERENCE CHAIR

Prof. Shanguo Huang, Beijing University of Posts and Telecommunications, China

Prof. Qixin Guo, Director of Synchrotron Light Application Center, Saga University, Japan

PUBLICATION

Conference Proceedings

IOS book series Frontiers in Artificial Intelligence and Applications Indexed by EI Compendex, Scopus, ACM Digital Library, Google Scholar, CPCI, etc.

SCI/EI Journals

International Journal of Sensor Networks (IF: 1.428)

Journal of Internet Technology (IF: 0.786)

International Journal of Security and Networks (EI)

Automatic Control and Computer Sciences (EI)

IMPORTANT DATES

Submission Deadline: September 30, 2021

Early Registration: September 30, 2021

SUBMISSION

Full paper/Abstract can be submitted via online submission system.

CALL FOR PAPERS

1 Electronics Technology

3D Video

Navigation

A/V Systems

New Semiconductor Material

2 Wireless Communications Engineering and Technology

4G/5G Systems

Networking and Information Security

Wireless & Mobile Networking

Optical Communications and Photonics

Satellite, Space and Wireless Communications

Next-Generation Networking

Mobile Computing Systems

Network Protocol and Congestion Control

Multimedia in Wireless Networks

VLSI Design

RF and Microwave Devices

Signal and Image Processing

Information Theory and Coding

VENUE

CECNet 2021 will be held in Beijing University of Posts and Telecommunications (BUPT) in Beijing, which is a comprehensive university with information technology as its main feature, engineering and science as its main focus and a combination of engineering, management, humanities and sciences as its main pursuit.

- Address: No 10, Xitucheng Road, Haidian District, Beijing, PRC, 100876 (Main Campus)
- Website: <https://english.bupt.edu.cn/>

BEIJING

Beijing is endowed with rare cultural heritage due to its long history. The Great Wall, The Summer Palace, The Forbidden City and The temple of heaven have been selected as the world cultural heritage.
