CALL FOR PAPER

The topics of interest include but are not limited to:

- Composite, Coating and Ceramic Materials
- Metals, Mining, Metallurgy and Materials
- Structural Materials
- Surface Science and Engineering
- Characterization & Testing
- Nanomaterials and Nanotechnology
- Electronic, Optical and Magnetic Materials
- Material Mechanics & Properties

Submission & Publication

- ◆ Abstracts/Full Papers should be submitted via the CMSE 2024 submission system via the official website at www.cmseconf.org
- ◆ The abstract / full paper template can be downloaded via the conference website.
- ◆ Accepted abstracts will be included in the abstract proceedings for academic exchange only.
- ◆ Accepted full papers will be published in the conference proceedings: Journal of Physics: Conference Series (Scopus/EI compendex).
- ◆ Selected high quality paper can be recommended to some journals as below:

- Strength of Materials IF: 0.7
- Materials Science-Medziagotyra IF: 1.0
- Mechanika IF: 0.7
- Archives of Metallurgy and Materials IF: 0.6
