

Welcome to join ICBEB 2024 in Singapore!

ICBEB 2024 INVITATION

The 13th International Conference on Biomedical Engineering and Biotechnology

Nov. 12-15, 2024 | **Singapore**

About ICBEB

The 13th International Conference on Biomedical Engineering and Biotechnology (ICBEB 2024) will take place at the main campus of Nanyang Technological University in Singapore during November 12-15, 2024.

ICBEB serves to foster communication among researchers working in a wide variety of scientific areas with a common interest in all fields of Biomedical Engineering and Biotechnology, and provides an extensive platform for the attendees to present diverse perspectives and empirical studies that illuminate recent trends, challenges, and issues in biomedical practices.

In combination with a keynote forum, invited and oral presentations, poster presentations, and panel discussions, ICBEB 2024 will also welcome exhibitions.

On behalf of the organizing committee, we cordially invite all of you to participate in ICBEB 2024 and enjoy the multicultural diversity in Singapore!

Welcome to join ICBEB 2024!

Important Dates

September 25 (Wed.)	Submission Due
November 12 (Tues.)	Arrival and Site Registration
November 13 (Wed.)	Keynote Speeches, Poster Presentations, Invited & Oral Presentations
November 14 (Thur.)	Invited & Oral Presentations, Welcome Banquet
November 15 (Fri.)	Field Visit in Singapore

Participation Types

- ✦ Oral Presentation: Invited & Regular.
- ✦ Poster Presentation.
- ✦ Exhibition: Journals, Medical Devices etc.
- ✦ Other types: Listener, Co-author, Accompany Person etc.

Wechat: ICBEB-CPSC

Highlights

- ✦ More than **2,300** attendees from over **30** countries joined ICBEB in the past **12** years.
- ✦ Over **900** accepted papers published in **SCI** journals or **EI** Conference Proceedings.
- ✦ Active reviewers are candidates for **TPC** members next year.
- ✦ Best Oral/Poster Presenters awarded **free registration** to ICBEB 2025.
- ✦ One-day group **tour** in **Singapore**.

Technical Program Committee

» Conference General Chair

Prof. Eddie Yin-Kwee NG, Nanyang Technological University, Singapore

» Technical Program Committee Chair

Prof. Chengyu Liu, Southeast University, China

» Technical Program Committee Co-Chairs

Dr. William Cho, Queen Elizabeth Hospital, Hong Kong, China

Prof. Fengfeng Zhou, Jilin University, China

Prof. Simon James Fong, University of Macau, China

Prof. Qun Wei, Keimyung University, Republic of Korea

Call for Presentations

🕒 Time Allotted

➤ Keynote Presentation	40 min on Nov. 13
➤ Invited Presentation	20 min on Nov. 13 & 14
➤ Oral Presentation	15 min on Nov. 13 & 14
➤ Poster Presentations	1-2 hours on Nov. 13

★ Best Presentation Awards

★ 1-3 Best Oral Presentations selected in each session.

★ 3 Best Poster Presentations selected by the judges.

★ Criteria: novelty, language, design, performance etc.

★ Winners will receive varying degrees of rewards.

▲ How to Submit

▲ Abstract only - for Oral/Poster Presentations.

▲ Full paper - for publication in journals or Conference Proceedings.

▲ Please submit it via <http://www.icbeb.org/>.

Publication

🔧 International Journals with Impact factors

- ◆ Technology and Health Care, IF: 1.6
- ◆ Technology in Cancer Research & Treatment, IF: 2.8
- ◆ Frontiers in Bioengineering and Biotechnology, IF: 5.7
- ◆ BMC Bioinformatics, IF: 3.0
- ◆ Preparative Biochemistry & Biotechnology, IF: 2.9
- ◆ Journal of Bioinformatics and Computational Biology, IF: 1.0

🔧 International Journals indexed in Ei Compendex, Scopus etc.

- ◆ Molecular & Cellular Biomechanics

🔧 For more publication choices, please contact icbeb@icbeb.org.

Topics of Interest

- ☆ Biomechanics and Biomechanical Engineering
- ☆ Medical Imaging Technology and Application
- ☆ Biomedical Signal Processing and Medical Information
- ☆ Bioinformatics, Computational Biology and Molecular Biology
- ☆ Chemistry, Pharmacology and Toxicology
- ☆ Other related topics

Visit Singapore

Singapore is known as a City in a Garden and nearly 50 percent of the island is green space. It is a thriving metropolis offering a world-class infrastructure, a fully integrated island-wide transport network, dynamic business environment, vibrant living spaces and a rich culture largely influenced by the four major communities in Singapore with each offering different perspective of life in Singapore in terms of culture, religion, food, language and history.
