Explore Gyor

As a picturesque city by the Danube River in Northern Hungary, Győr is Hungary's sixth-largest city and is conveniently situated halfway between Vienna and Budapest. It is filled with a rich history, hearty Hungarian food and baroque architecture.

Széchenyi István University

Széchenyi István University (SZE) is located in Győr, Hungary. The main campus situated on the banks of the Danube River and only minutes on foot from the downtown. With 14,000 students, the University has seen a rapid rise in the number of international students, now representing 70 nations since 2016.
