

## Scientific Committee

### Conference General Chairs

Prof. Hisayoshi Hayashi  
University of Tsukuba, Japan

Prof. Mikihisa Umehara  
Toyo University, Japan

### Technical Program Committee Chairs

Prof. Xuqiao Feng, Bohai University; Institute for Science and Technology of Fruits and Vegetables, China

Prof. Moniruzzaman Khondker, University of Dhaka, Bangladesh

### Technical Program Committee Member

Prof. Wenqiao Yuan, North Carolina State University, USA

Prof. Hui Wang, Tsinghua University, China

Prof. Mingjie Chen, Xinyang Normal University, China

Prof. Fufeng Liu, Tianjin University of Science & Technology, China

Prof. Vítor João Pereira Domingues Martinho, Polytechnic Institute of Viseu, Portugal

Prof. Tomasz Lesiow, Wroclaw University of Economics, Poland

Prof. Bal Ram Singh, Norwegian University of Life Sciences, Norway

Prof. Maria Luisa da Silva, Federal University of Pará State, Brazil

Prof. Algirdas Jasinskas, Vytautas Magnus University, Lithuania

Prof. Vilai Rungsardthong, King Mongkut's University of Technology North Bangkok, Thailand

Prof. Rajamani Raman, Annamalai University, India

**Welcome to join ABS 2025!**

## Call for Presentations

ABS serves to foster communication among researchers, academicians and practitioners working in a wide variety of scientific areas with a common interest in all fields of agricultural and biological sciences. Taking this opportunity, we sincerely invite you to participate in ABS 2025 by delivering an oral/poster presentation.

Types of Presentation	Time Allotted
Keynote Presentation	40 Mins on July 22
Invited Presentation	20 Mins on July 22-23
Oral Presentation	15 Mins on July 22-23
Poster Presentation	About 1 Hour on July 22

## Best Presentation Awards

1. One best oral presentation will be selected from each session;
2. One to three best poster presentations will be selected;
3. Criteria: novelty, language, design, performance etc.
4. Free registration fee would be offered to best presentations,

## Confirmed Honorary Speakers

Prof. Ting Wu  
Huazhong Agricultural University

Prof. Mikihisa Umehara  
Toyo University, Japan

Dr. Silvia Pampana  
University of Pisa, Italy

Prof. Fufeng Liu  
Tianjin University of Science and Technology

Prof. Sijun Zheng  
Yunnan Academy of Agricultural Sciences

*More speakers via <https://www.absconf.org/Speaker>*

## Main Topics

Submissions of original research papers and abstracts in all areas of ABS in Agricultural, Biological, Food and Environmental aspects include but not limited to:

### Animal & Plant Sciences

Physiology, Production, Breeding, nutrition, Evolution, Horticulture, Vegetable, Weed Science. Agronomy etc.

### Soil and Environmental Sciences

Soil Quality, Productivity, Biology, Biochemistry, Management, Pollution, Ecology, Climate Change etc.

### Food Sciences & Agriculture Sciences

Package, Preservation, Safety, Nutrition Organic Agriculture, Urban Agriculture, Agronomy, Rural Sociology etc.

### Biological Sciences

Microbiology, Biofertilizers, Biodiversity, Evolution, Biological Engineering etc.

## Call for Papers

Accepted full papers will be published in Bio Web of Conferences and indexed by Scopus;

**BIO** Web of Conferences

Selected full papers will be published in international Journal indexed by ISI etc.

Agronomy Journal  
IF:2.0

Annals of Microbiology  
IF:3.0

Indian Journal of  
Fisheries  
IF:0.4

Bangladesh Journal of  
Botany  
IF:0.4

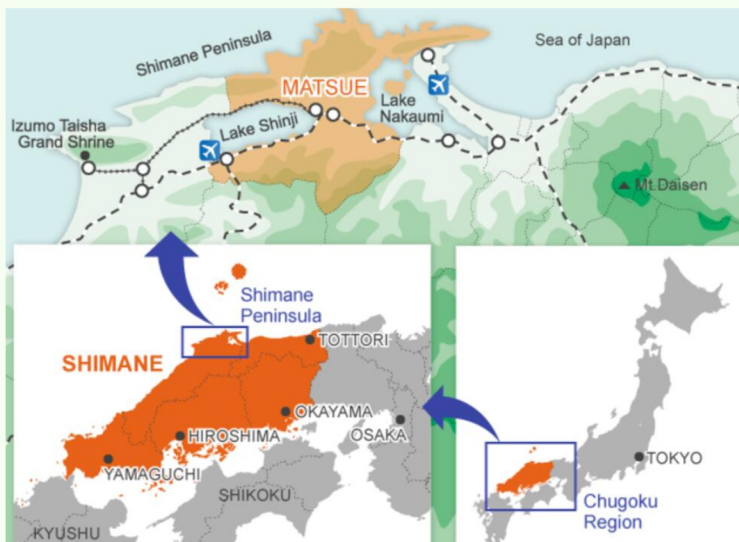

Symbiosis  
IF:2.1

## About Matsue

ABS 2025 will be held in Matsue. Matsue is the capital city of Shimane Prefecture, in Southwest Japan, known as the "City of Water". It is a true castle town crossed with many canals. Matsue and its surrounding areas are rich in cultural assets and historical sites, and many of Japan's most ancient legends are set in the area. As an International City of Culture and Tourism, Matsue offers great sightseeing opportunities and welcomes international tourists with significant discounts.

## Banquet Site and Tour Spots

### Matsue Castle

Constructed in 1611 by Horio Yoshiharu, Matsue Castle has become the city's symbol. It is the soil remaining castle in the San'in region, one of the only 12 remaining castles nationwide, and designated as a National Treasure in 2015

### Horikawa Sightseeing Boat

This 50 min sightseeing boat guides you along the moats through the historical Japanese scape of the castle Matsue, the places related to Lafcadio Hearn, forests.

### Yushien Garden (由志園, Yūshien)

Yushien Garden a large garden most celebrated for its peony flowers since 1975, and it features traditional landscape garden elements, including a central pond, waterfalls, streams, stone lanterns, a rock garden and a variety of seasonal flowers.

## Delicacies

Wagashi

Izumo Soba

Agonoyaki

Zenzai

Local Sake and Beer

## Specialities

Stone Lantern

Anesama dolls

Pottery

## Past Conference Glance

- Since 2015, ABS conferences were successfully held consecutively in Beijing, Shanghai, Qingdao, Hangzhou, Macao, Online (2020-2022), Macao and Győr;
- More than 1700 participants from more than 40 countries joined ABS conference series;
- More than 900 full papers were published in proceedings and international journals;

♥ Taking this opportunity, we cordially invite you to join ABS 2025:

♥ Great opportunities to make splash with newest ideas on Agricultural and Biological Sciences;

♥ An important platform to make new connections with experts and academicians in the field of Agricultural and Biological Sciences;

♥ Award banquet will be arranged in Yushien Garden, and one day tour will be organized (Matsue Castle → Horikawa Sightseeing Boat → Matsue Vogel Park).
