CALL FOR PAPERS

- Accepted presented abstracts will be included in the abstract proceedings for academic exchange;
- Accepted full papers will be published in the conference proceeding indexed by Scopus / El Compemdex;
- Selected high quality papers can be recommended to some journals as below:

- Strength of Materials **IF: 0.7**
- Journal of Theoretical and Applied Mechanics **IF: 0.6**
- Applied Rheology **IF: 5.8**
- Materials Science-MEDZIAGOTYRA **IF: 0.8**
- **Advanced Manufacturing: Polymer & Composites Science IF: 1.8**

*Papers from previous conferences have been successfully published in conference proceedings and indexed by El compemdex / Scopus.

◆ About the Organizer ◆

Southern University of Science and Technology (SUSTech) is an innovation-oriented public university founded by Shenzhen government in the background of China's higher education reform. It aspires to be a model and pioneer for promoting higher education reform. SUSTech is widely regarded as a trailblazer and innovator in advancing China's higher education. It aims to be a globally renowned university that contributes to the advancement of science and technology and nurtures promising and creative leaders who excel in interdisciplinary research and creating knowledge for the world.

SUSTech is ranked in:

THE 2024-2025 Ranking:

- 183** in World University Rankings
- 24** in Young University Rankings
- 46** in Asia University Rankings

US News 2024-2025 Ranking

- 157** in Best Global Universities
- 28** in Best Global Universities in Asia
- 15** in Best Global Universities in China

QS 2025 Ranking:

- 284** in World University Rankings

Welcome to MSAM 2025!

Organized by Southern University of Science and Technology, **the 8th International Conference on Material Strength and Applied Mechanics (MSAM 2025)** will be held in Shenzhen, China on July 11-14, 2025.

The MSAM conference is an annual event launched in Japan in 2018 and has been held successfully in Macau, Qingdao (China), Kyiv (Ukraine), Kitakyushu (Japan), Győr (Hungary), and via Online over the past seven years. It has become an important platform for scholars and engineers worldwide to present and discuss the recent research results in the field of material strength and applied mechanics.

◆ Important Date ◆

January 20, 2025 Submission Deadline	February 20, 2025 Abstract Acceptance Notification
March 1, 2025 Early Registration	July 11-14, 2025 Conference Date

BEST PRESENTATION SELECTION

One Best Oral Presentation will be selected in each session based on the content novelty, fluent language, good performance and nice design of PPT as well as the active reaction of research idea exchange.

1-3 Best poster Presentations will be selected by the judges based on novelty, originality, creativity and presentation of the work, as well as the quality of the poster.

Best presenters will be awarded with free registration for the next MSAM conference.

REGISTRATION FEE

Type	Registration Fee (Before March 1, 2025)
Standard Registration	USD 500 / CNY 3500
Co-author/Listener/Student	USD 450 / CNY 3200

EXPLORE SHENZHEN

Shenzhen is located in the southern portion of the Guangdong Province, on the eastern shore of the Pearl River Delta. Neighboring the Pearl River Delta and Hong Kong, Shenzhen's location gives it a geographical advantage for economic development.

The past seven editions of the conference have attracted researcher, scientists and engineers from over 40 countries and regions.

Year	Location	Attendees	Countries & Regions
2018	Kitakyushu, Japan	>120	Australia, Austria, Bangkok, Belgium, Brazil, Canada, China, Czech Republic, Egypt, France, Germany, Greece, Hong Kong, Hungary, India, Indonesia, Italy, Japan, Korea, Latvia, Macau, Malaysia, Netherlands, Philippines, Poland, Portugal, Russia, Serbia, Singapore, Spain, Taiwan, Thailand, UAE, UK, Ukraine, USA, etc.
2019	Kiev, Ukraine	>110
